You can read an overview of the AP German Language and Culture course and exam here:

The AP German Language and Culture course is structured around six themes:

Assignment:

1. To continue your German studies over the summer, please listen to, read and watch in German weekly for at least 60 minutes. Your assignment is to keep a journal of all your intentional German exposure. You must make at least 10 entries in your German journal. Each journal entry should cite what you watched, read or listened to, the site at which it can be found and a short 3-5 sentence summary of the information presented. Also include any new words you learned. This journal will be due August 11th, the first Friday of the 2017-18 school year. Feel free to email me with questions or concerns: RMooney@northgwinnett.com

2. Also on the first Friday, there will be a quiz on the vocabulary from the list "German AP Exam Vocabulary" on my Quizlet site: FrauMooney. (<https://quizlet.com/159579457/german-ap-exam-vocabulary-flash-cards/>)
